GENERAL INFORMATION

Articles produced by the Milwaukee W P A Handicraft Project are available solely to tax supported institutions in the United States. When ordering, please include a correctly filled and signed "Co-Sponsor's Agreement" with the order. (See sample form on Page 3).

"Material Cost" does not include transportation on shipments outside of Milwaukee. Shipments are forwarded "Express Collect" unless specifically ordered otherwise.

Please order by number.

When samples are desired, transportation on shipments (both ways) are borne by the institution requesting such samples. Samples should be returned within two weeks after arrival.

Disbursing officers, accustomed to discounting bills, will please refrain from making deductions of any nature from our invoices, remembering that amounts invoiced cover only material costs.

Orders will be filled as soon as possible and in the same sequence in which they are received.

Substitutions will be made only when authorized.

Back orders--if any--will be noted on invoices.

This list is effective as of July 5, 1939, and supercedes all prior lists.

(This sample of agreement form should not be removed from this list - one for your use when ordering is enclosed).

CHAIR BACKS(Slip Covers)

These are for kindergarten chairs. They are intended to keep chairs sanitary and add a decorative touch. The designs are printed on front and back of the slip covers which fit over the top of the chairs. When soiled, they may be laundered or dry cleaned.

As these are finished to order and because it is important that the slip covers fit snugly, we require an accurate drawing showing length of the chair back from seat to top. Show all measurements - height, width and thickness - and if these vary at different points, indicate where they change in shape and measurements.

H O O K E D R U G S

The foundation of the rugs is a closely woven Monks cloth, through which is hooked woven wool materials, which have been hand dyed.

The rugs are firm and strong. The loops which form the pile or surface stand about an inch above the base fabric. The weight of approximately one pound per square foot speaks for their quality.

Modern designs and conservative patterns in various sizes are available. Rugs are made to meet specific color requirements and variations in sizes. Color combinations are omitted since in most cases the color is determined by patron's needs. Most of the rugs come in combinations of three and sometimes four colors, one predominating.

When ordering, please specify predominating color and other colors desired. We suggest correspondence well in advance of desired shipping dates.

We have a few rugs in the 5' x 7' size ready for prompt shipment.

D O L L S

These distinctive dolls are used as models in many art classes - in home economics classes for dress design and needle work - in kindergartens and nursery homes for teaching children self-help in dressing themselves correctly, and for instruction in proper care of garments.

Washing instructions accompany each doll. Garments may be laundered. The hair, (of cotton carpet warp) may be washed, combed and dressed.

The American, Foreign and Character Dolls have firmly moulded unbreakable heads. The other dolls, which includes the 16 inch twins and the 19 inch doll, have faces formed of soft construction material.

22" AMERICAN DOLLS

Each American doll is complete with an outfit consisting of: - 1 coat - 2 dresses - 2 shorts - 1 pair of socks - 1 pair of shoes - 1 sleeping garment - 1 bib or apron - 1 hat or 1 head scarf or 1 tam

Additional clothing may be ordered separately for American Dolls, see "Wardrobes" as listed.
