C.R.S. # 25-4 6/26/39 Reduces 497.40 #3822.60

Improve small dams and dikes to conserve water, fish and game; and provide drainage control, throughout Rome and Leola Townships in Adams County. Work includes placing riprap and earth fill; and performing incidental and appurtenant work. County and township-owned property. The sponsor is a public body of the State of Wisconsin with authority to prosecute the work over the area involved. In order to prosecute this project it will be necessary to go over and locate materials and equipment on privately-owned property. Proper easements will be obtained where this is necessary and no improvements will be made to private property. In addition to projects specifically approved

1 DESCRIPTION 965 Water Regulatory Board

Improve small dams and dikes in the towns of Rome and Leola, Adams County, by placing stone riprap and earth fill, and performing appurtenant work; for drainage control, water conservation, and fish and game propagation. The sponsor is a legally constituted public body of the State of Wisconsin, with authority to prosecute the work over the area involved. County and town owned property. The sponsor has permission to enter upon such property for the purpose of maintaining drainage facilities. In order to prosecute this project it will be necessary to pass over and locate materials and equipment on privately owned property. Proper easements have been secured where this is necessary and no improvements will be made to private property. No taxes or assessments will be levied to cover the amount of Federal funds expended on this project. In addition to projects specifically approved.

County Highway Commission, Adams County

Dist 1-15-40
Div. 5-18-41

County-wide. A non-Federal project to improve roads throughout Adams County. Work includes clearing, grubbing, excavating, grading, draining, surfacing, sodding, and seeding; installing drainage ditches, culverts, and bridges; constructing guard rails and other safety devices; and performing incidental and appurtenant work. Part county, part township, and part privately owned property. Sponsor has the legal authority to prosecute work on township-owned property. Part of the work on private property involves relocating curves and constructing drainage ditch, for which perpetual easements are to be obtained. No Federal funds

DESCRIPTION

Common Council J.M. Dodd, Mayor

To provide employment for needy professional, educational, and clerical persons to assist in making a local geodetic control survey in Ashland. Work will consist of triangulation and traverse surveys of the first order; and levels of the second and third order accuracy; surveys of the city boundary, section, and street lines; and a survey to locate surface and underground structures within the street areas, including the necessary field and office surveys and mapping incidental thereto. This project will operate in the city of Ashland, Ashland County. There is no normal budgetary appropriation for this work, and no regularly employed personnel will be displaced. In addition to projects specifically approved.

Transferred to Operations Division.

DESCRIPTION

Common Council, City of Ashland
G. F. Johnson, Mayor

Started 1-6-41
Disc. 4-27-41

Assist in making a local geodetic control survey in Ashland. Work will consist of triangulative and traverse surveys of the first order, and levels of the second and third order accuracy; surveys of the city boundary, section, and street lines; a survey to locate surface and underground structures within the street areas, including the necessary field and office surveys and mapping incidental thereto; and second order traverse and the establishment of permanent geodetic monuments and maps of streets showing location of project boundaries with reference to monuments erected.

DESCRIPTION

U. S. Department of the Interior, Bureau of Indian Affairs, Great Lakes Indian Agency J. C. Cavill, Supt.

Village-wide. Construct new dwellings on the Red River Indian Reservation in the village of Odanah, Ashland County, and perform work appurtenant and incidental thereto. Project also includes reconstructing existing homes. Federally-owned property. Permission of the U. S. Department of the Interior, Bureau of Indian Affairs, has been obtained. This supplement is for the completion of work originally authorized to the extent of $17,448, necessitated because of underestimation of costs. In addition to projects specifically approved.

(Additional) Bad River Indian Reservation near Odanah.

Wisconsin Conservation Commission A.M.Keister. Susp

County-wide. Conduct general conservation work throughout Burnett County, by making stream, lake and forest stand improvements; providing forest fire hazard reduction; constructing, expanding, and repairing fish hatchery, tree and plant nursery, forest and park area facilities; also constructing, expanding and repairing ranger stations, garages, fire towers, truck trails, fire breaks, telephone lines, park shelters, bathing beaches, toilets, water supply, refuge shelters, feeding hoppers, and stations for game birds and animals; and performing incidental and appurtenant work. State, county and privately owned property. No Federal funds will be expended for any unit of work under this project until proper easements have been obtained covering that part of the property, not owned by the sponsor, necessary for the completion of a useful unit of work, and no Federal funds will be used in obtaining such easements. No improvements will (continued)
