2 DESCRIPTION 965 Wisconsin Conservation Department

County-wide. Conduct general conservation work throughout Clark County, with supervisory headquarters located at Menomonie. Work includes making stream, lake and forest stand improvements; providing forest fire hazard reduction; constructing, expanding, and repairing fish hatchery, tree and plant nursery, forest and park area facilities; also constructing, expanding and repairing ranger stations, garages, fire towers, truck trails, fire breaks, telephone lines, park shelters, bathing beaches, toilets, water supply, refuge shelters, feeding hoppers, and stations for game birds and animals; and performing incidental and appurtenant work. State, county and privately owned property. No Federal funds will be expended for any unit of work under this project until proper easements have been obtained covering that part of the

Description.

Conduct general conservation work. Work includes improving forest stands, lakes, and streams; reducing fire hazards; planting; constructing, remodeling, and expanding facilities at fish hatcheries, forestry nurseries and forest areas; constructing or remodeling ranger stations, earth plugs, garages, fire towers, toilets, lookout towers, fireplaces, culverts, ditches, tower cabins, truck trails, fire breaks, telephone lines, water supply systems, shelters, and feeding and rearing stations; and performing appurtenant and incidental work. This project is to operate on publicly owned property, and on privately owned property, consisting of constructing telephone lines, truck trails, fire breaks, earth plugs, for which proper agreements are to be obtained.
