DESCRIPTION

Dane County Board
F.A.Stewart, Chairman,

COMPLETE

County-wide. Construct small dams for water conservation purposes throughout Dane County. Project will operate on Federal property with permission of the proper Federal Agency, on publicly owned property of the State or county, or on private property dedicated to public use by easement. Project for the benefit of the general public. No expenditure of Federal funds for this project will be made until the necessary permission or easements have been obtained by the sponsor, and no Federal funds will be used for the purchase of such permission or easements. The sponsor has the legal authority to operate this project over the entire area involved. In addition to projects specifically approved.

6718 supersedes 6144 and 6155

1 DESCRIPTION 665 Dane County Board.

start 12-18-39
dis. 4-19-41

County-wide. A non-Federal project to improve roads throughout Dane County. Work includes clearing, grubbing, excavating, grading, riprapping, sodding, seeding, surfacing, relocating, constructing guard rails and other safety devices, building ditches, constructing and extending culverts and bridges, and performing incidental and appurtenant work. Not a part of the Federal Aid Highway System. Part county, part town, and part privately owned property. Part of the work on private property involves construction of discharge ditches for culverts, for which proper easements are to be obtained. (Cont'd.)

Supersedes 165-53-1029 4840, 5064,5065,5184, 5998, 8314;
Federal man-month nonlabor cost - $5.99.

Plan C 3-18-40
6-2-40

A non-Federal project to install water mains, hydrants, valves, connections, sanitary sewers, manholes and appurtenances, and perform incidental and appurtenant work in the Crestwood Sanitary District in the town of Madison, Dane County. Town and privately owned property. No Federal funds will be expended for any unit of work under this project until perpetual rights-of-way have been obtained covering that part of the property, not owned by the sponsor, necessary for the completion of a useful unit of work, and no Federal funds will be used in obtaining such perpetual rights-of-way. Work on private property consists of laying pipe lines. No house or service connections will be installed thereon.

DESCRIPTION

Excavate for and lay sanitary sewers and force main, together with manholes, in the northeast section of the village of Mount Horeb, Dane County, and perform appurtenant and incidental work. The project also includes excavating for a sewage pumping station which will be constructed by the village of Mount Horeb. The Works Progress Administration will not be responsible for the construction of this pumping station. In addition to projects specifically approved. Village-owned property. No taxes or assessments will be levied to cover the amount of Federal funds expended on this project. The sewage carried by these sewers will be discharged into an existing sewage disposal plant.
This project supersedes O.P. Nos. 165-53-4507 and 65-53-183.

1 DESCRIPTION 965

Middleton Town Board. J. Voss, Chr.

Improve sanitary sewer and water distribution systems near the village of Middleton, in the town of Middleton, Dane County, including excavating; laying sewer lines and water mains; building manholes and pumping station; installing pumping station equipment, force main, hydrants and valves; backfilling; and performing incidental and appurtenant work. Privately owned property. No improvements will be made to private property, and perpetual rights-of-way will be obtained for all work thereon. No Federal funds will be expended for any unit of work under this project until perpetual rights-of-way have been obtained covering that part of the property, not owned by the sponsor, necessary for the completion of a useful unit of work. Description.
City-wide. Extend water, sanitary sewer, and storm sewer systems. Work includes installing water and sewer lines, hydrants, valves, manholes, sumps, catch basins, services, and fittings, and performing incidental and appurtenant work. This project is to operate on publicly owned property, and on privately owned property consisting of installing sanitary sewers for which proper agreements are to be obtained.

Sponsor
Common Council, City of Horicon.

M. Bernges, City Auditor

(2) 50556 STATE NO.	618756 REGISTRY NO.	Wisc. STATE	Douglas COUNTY	Co-wide CITY	OFFICIAL PROJECT NO.	FEDERAL FUNDS

Reason for Disapproval:
(1) Approximately 50% of the total Federal funds authorized for the superseded project are unexpended and are sufficient for the continuation of the project for a considerable period; (2) excessive Federal non-labor expenditure expenditure; (3) low sponsor's contribution; and (4) high Federal cost of constructing and operating a work camp not justified.

4 DESCRIPTION 665

Douglas County Board
James D. LaValle, Chairman, Superior

Clear flowage created by Nancy Lake Dam, including removing logs, stumps, timber, and brush above flowage level, and performing work appurtenant thereto. Publicly and privately owned property. Work on private property involves removing stumps, logs, and brush for which perpetual easements are to be obtained.

Note: Lake Nancy Dam is in Washburn county, but the flowage extends into Douglas County.

Also see: Washburn Co. 9393 665-53-2-477 7D-1871 for Lake Nancy flowage in Washburn Co.

50322	61081	Wisc.	Douglas	County-Wide	165-1-53-267	$42,684

Description:

Conduct an engineering survey, and locate and place section and quarter section corner monuments on forest crop land in Douglas County. Work involves surveying section lines including running random lines, necessary clearing and brushing; setting permanent markers including the necessary reference ties; plotting and mapping various areas, showing in addition to the Section Markers such physical characteristics as timber, swamps, streams, roads, rock out crops and abrupt changes in terrain.

2 DESCRIPTION 965 Commong Council, City of Superior

D 3-5-39

City-wide. Construct intercepting sewers, including mains, laterals, and manholes, throughout the City of Superior, Douglas County, and perform appurtenant and incidental work. The project also includes the construction of a sewage pumping station. City and privately owned property. No improvements will be made to private property and the work thereon will consist of installing sewers. No Federal funds will be expended for any unit of work under this project until proper easements have been obtained covering that part of the property, not owned by the sponsor, necessary for the completion of a useful unit of work, and no Federal funds will be used in obtaining such easements. No taxes or assessments will be levied to cover the amount of Federal funds expended on this project. In addition to projects specifically approved. 7D-1566

2 965 DESCRIPTION: Douglas County Board

To provide employment for needy professional, educational, and clerical persons to modernize and consolidate field notes; to prepare maps showing lakes, rivers, railroads, etc; and to make up a series of books containing a record by sections of all known surveys made in Douglas County. Each section will show detailed subdivisions, and contain a record of the surveys made therein, showing ties to corners, distances, angles, corner markers, random lines, surveyor's name, and date the work was performed. Records will be maintained by the County Surveyor. This project will operate in Superior, Douglas County. This work is not a normal activity of the sponsor, and no regularly employed personnel will be displaced. In addition or projects specifically approved. Superseding O.P. #465-53-3-10.
