1 DESCRIPTION 965

Improve small dams and dikes in the towns of Byron and Scott, Monroe Co., by placing stone riprap and earth fill, and performing appurtenant work; for drainage control, water conservation, and fish and game propagation. The sponsor is a legally constituted public body of the State of Wisconsin, with authority to prosecute the work over the area involved. County and town owned property. The sponsor has permission to enter upon such property for the purpose of maintaining drainage facilities. In order to prosecute this project it will be necessary to pass over and locate materials and equipment on privately owned property. Proper easements have been secured where this is necessary and no improvements will be made to private property. No taxes or assessments will be levied to cover the amount of Federal funds expended on this project. In addition to projects specifically approved.

DESCRIPTION

Wisconsin Conservation Commission

County-wide.

app. WPA 6-17-38 $204,505

Conduct general conservation work throughout Oneida County, by making streams, lake and forest stand improvements; providing forest fire hazard reduction; constructing, expanding, and repairing fish hatchery, tree and plant nursery, (forest) and park area facilities; also constructing, expanding and repairing ranger stations, garages, fire towers, truck trails, fire breaks, telephone lines, park shelters, bathing beaches, toilets, water supply, refuge shelters, feeding hoppers, and stations for game birds and animals; and performing incidental and appurtenant work. State, county and privately owned property. No Federal funds will be expended for any unit of work under this project until proper easements have been obtained covering that part of the property, not owned by the sponsor, necessary for the (cont'd.)

DESCRIPTION 665 Bovina Black Creek Drainage District
Mike Mack, Commissioner, Shiocton, Wis.
Reconstruct drainage ditch and remodel pumping station.

Reason for disapproval: Due to the limited ownership of the property adjacent to the proposed work, it appears that the public benefit to be derived from the operation of the project is insufficient to warrant the expenditure of Federal funds.

DESCRIPTION 1 965 Village of Pepin Alex Allen, Pres.

Improve village-owned streets throughout the village of Pepin, Pepin County, including constructing curbs, gutters, and sidewalks; installing storm drain and catch basins; excavating; grading; and performing incidental and appurtenant work. Project also includes the operation of quarries in or near the village of Pepin to produce materials for use on this project. No taxes or assessments will be levied to cover the amount of Federal funds expended on this project. In addition to projects specifically approved.
